

Competitive Soccer Financial Obligations for the 2015-2016 Season

Financial Assistance

Basin United has established a process to provide financial assistance to players from low income families who cannot afford the full cost of our Competitive program. Financial aid only applies to the Club's Competitive Season fees. The maximum discount for these fees is 75%. Families of competitive players receiving financial assistance will be 100% responsible for all team, tournament, player card and uniform fees. Eligibility for financial assistance is based on verified household income and the ability of the family to provide volunteer service. For more information and for a financial aid application, please contact the Basin United office at 541-273-1152.

Program Cost

Participation in the Competitive program requires a financial commitment which can be broken down into the following categories:

- **Season Fee** - This seasonal fee covers the cost League play and a portion of the administrative costs of the Club. The season fee also covers the cost of outdoor training fields and lights, indoor training facility rental during season, field maintenance and the cost of coaching for training sessions and games. Season fees are paid directly to the Club.
- **Player Card Fee** - this expense is tied directly to the costs Basin United incurs to register the player with Oregon Youth Soccer. This is an Annual Fee that is required to be paid once per seasonal year. This fee is paid directly to the Club.
- **Uniform Fee** – This fee is paid directly to the Club to purchase your player's uniform kit. The uniform kits come with two (2) jerseys, shorts, and two (2) pairs of socks. The uniforms are on 2 year cycles, as long as the supplier still carry the model.

Commitment

ALL players/families within the Basin United Competitive Soccer Program agree to participate for the entire season. Some teams will additionally participate in the Border League through the CALNORTH League in Redding, CA. At a minimum, the player is required to participate in at least two practices and games on the weekends. Families are expected to honor the commitment they make to their coach and team as well as, their financial obligations. Families who do not pay their fees in a timely fashion will be listed as players in poor standing with Basin United, disallowing them from participating with any Club programs until fees are brought current. Players may be benched until fees are paid. Additionally, all club and team payments are to be paid in full even if players are unable to attend or participate due to injury or absence for any reason unless otherwise agreed upon and approved by Basin United Soccer Club.

Volunteer Requirement

All Competitive players and their families are required to donate volunteer time with Basin United Soccer Club. Each family is required to donate at least 8 hours per Competitive Player each season. This volunteer time can be from working in the concession stand, helping with the sunset showdown tournament, setting up and cleaning fields, or any other work donated to the Club. We will have Volunteer Logs in the Field 5 Concession Stand and the Mike's Fieldhouse Office to log your time. IF a family does not meet their obligation or wishes to "buy-out" their volunteer time, we calculate hours at the rate of \$20 per hour.
